**Subject:** Proposal from Commissioner Mingus Mapps  
**Date:** Friday, November 5, 2021 9:15:48 PM

---

I am in complete agreement with Commissioner Mapps proposals. What we have done so far has been a waste of time and money with a worsening situation. These proposals make sense and deserve a chance to be tried. There is no guarantee that they will succeed, but they are the best thoughts that have been proposed so far.

Thank you,  
Jay Goodman
