Subject: Please approve more police officers

As a resident Southeast Portland, seeing the trash, graffiti, crime, and shootings I am urging the city Council to please approve hiring of 300 more police officers per commissioner Mapps.

We are desperate for the city to return to some safety. My children can no longer play or practice sports in Southeast Portland parks do to drug use, tents and trailers in parks. Almost every stop sign in my neighborhood has had some graffiti on it without any action to curb this. I pay \$15,000 property taxes per year. Please return to some basic safety in the city of Portland or the city will see a mass exile of their tax base.
