**Subject:** Budget Testimony per Mapps  
**Date:** Saturday, November 6, 2021 12:28:57 PM

---

Per email from Cr. Mapps on 11/5:

- The first four targets are excellent, urgent, well stated both in subject and due date.
- The fifth target's complexity risks swallowing up the first four, and because of federal help should be postponed.
- Thank you for a shift from talking to doing.
- Overdue.

Thank You  
Jim Grew
