Honorable Mayor and Commissioners:

I want to go on record as strongly supporting Commissioner Mapps plans for bringing Portland back from the brink!

He has sound plans for addressing the following issues and goals for the City:

- Adding 300 police officers over the next three years
- Reducing homicides by 20% by the end of 2022
- Reducing the number of people sleeping in tents by 1,000 by the end of 2022
- Significantly clean up trash and graffiti in the city by July 1, 2022
- Provide direct and immediate relief to our neighbors who are still digging out from the Covid Recession

I support his plans and hope that you will too!

Jim Heuer
