Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I am a member of Central Lutheran Church in north Portland, which is a member of Interfaith Alliance on Poverty--which has already sent you a detailed letter of support of S2HC. I, too, support S2HC, as it will reduce the homeless crises, by: Passing recommended zoning changes, and consider additional amendments that will add tools and flexibility to our unhoused community. Renewing the Housing Emergency Declaration due to expire this April. Removing restrictions on tiny houses on wheels and RVs that are currently in Title 29. Viewing the zoning code as a moral document that reflects our faith values of lifting up the poor and improving the quality of life for our most vulnerable citizens. For all these reasons, I urge City Council to get these changes going. thank you
