Testimony to Portland City Council on the Shelter to Housing Continuum Project, Recommended Draft

I am opposed to this code change. The city has a terrible track record when it comes to regulating sanctioned camps and I know there are promises to do so with these proposed camps, but I do not believe them. Take the Forgotten Realms and Hazelnut Grove camps as shining examples of a lack of rules and regulations with city-sanctioned camps. Therefore, given the poor track record of the city regulating sanctioned camps, I am opposed to putting more of these camps in neighborhoods, especially East county.
