Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I am against this proposal. Parks are not Campsites. They are not: open toilets, dump sites, open drug use, anarchy havens. Are you guys insane: Have you not witnessed what has happened when you allow camping on the sidewalks? I have, that was the worst mistake that has brought Portland to it's knees from a one picturesque city, to what it is now. This could break the city, financially, criminally. Alex McIntosh
