Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I strongly and vehemently oppose such a project. I have lived here for 25 years and raised my children here and enjoyed the parks for every moment of that time. I pay taxes and I vote. A better solution needs to be found then allowing the already disgusting, needle and trash-filled encampments to grow across our beautiful city parks. I repeat; I pay a LOT of taxes and I VOTE!
