

# Katie Moscillo

**#267359 | March 14, 2021**

Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

This provision allows for use of Open Space Zones--which include all city parks--for camping. Commissioner Hardesty's embrace of this change, the implications of which she has clearly not thought through, would be devastating to real estate value

Testimony is presented without formatting.
