Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Prople are having to leave their homes as it is due to the homeless! Property values are being destroyed. Stop this monsense! I live near I5 and Marine Drive it is depressing here! Getting off the i5 ramp there are encampments and trash! At Delta Park near the playing fields, in the fog parks along 33rd at the airport. Stop it!!! There are cities that dont have a problem study them! Figure out what it takes let them Leave here....
