Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

As an addendum to my previous testimony, I'd like to add that you specifically support the following two amendments to the S2HC proposal: 1. Amend language in 33.296.030.G to remove the Open Space Zone from consideration as either temporary or permanent houseless shelters EXCEPT for a declaration of emergency by the City Council due to a catastrophic natural disaster such as an earthquake 2. Amend language in the new provision 33.296.030.H to add an exception for the Open Space Zone. Thank you, Chris Eykamp
