**#267428 | March 15, 2021**

Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

So is the plan to actually open up parks for homeless camping? At the very least, keep our parks as safe as possible void of as much human waste, hypodermic needles and drug paraphernalia, as well as mental health sufferers scaring children or even adults trying to use the parks as sanctuaries
