Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I've voted actively in every election for the past 50 years. If this park provision passes, I will work to replace any commissioner that votes for it. It will destroy property value, which will hurt the city's tax base which will undermine the services the city provides. We don't want a Detroit on the Columbia. If you would contact me, I have an idea that may help solve the situation in a fairly economical way.
