Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I'm writing in behalf of my community. I'm extremely concerned and against this Shelter to Housing continuum project that would allow the Homeless to Camp out on our Parks and sidewalks. It's a Safety, Sanitation and Crime concern. It will have a Tremendous negative impact to our community and our investments. We will not Stop fighting for our Rights as hard working citizens who want a safe place to live and Work. We are sick and tired of how this City is being torn to the ground with Crime, Homelessness, Garbage & lack of Police.
