Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Mayor Wheeler and Portland City Council: I agree with the concerned citizens of Portland that these amendments should be made to the S2HC Recommendations. Their thinking is sound and I have attached the background document. Proposed Amendments to the S2HC Recommendations 1. Amend language in 33.296.030.G to remove the Open Space Zone from consideration as either temporary or permanent houseless shelters EXCEPT for a declaration of emergency by the City Council due to a catastrophic natural disaster such as an earthquake 2. Amend language in the new provision 33.296.030.H to add an exception for the Open Space Zone.
