

- 1) Title 15 emergency housing declaration be allowed to expire thereby disallowing random camping within city limits. A new emergency declaration be declared so that these new codes may be implemented only for the duration of this new emergency declaration, not to exceed one year.
- 2) A new proposed shelter site map be drawn and posted for community review, that shows an equitable distribution of proposed sites in ALL communities of Portland. Dispute the East Side having more potential sites, they should be removed from the map until it shows an equitable distribution in ALL communities.
- 3) An enforcement plan needs to be explained and attached explicitly to this proposal stating that as new managed shelters are established, random unsanctioned camps will be shut down, removed, cleaned up and monitored so that they can not be reestablished. A one for one continuous progress report should be publicly available.
- 4) The management plan should be detailed for these new sites and naming who, specifically, is responsible for its implementation and results are to be published before any vote is taken.
