Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I am opposed to the proposal to turn Fields Park into a tent-friendly location. This park is used and loved by so many in the Pearl district for their exercise and recreation. It would truly be a shame to turn it into a camp for the homeless. I do have an appreciation for their struggle in this pandemic but cannot agree that turning Fields Park into a tent camp is the best solution for them or the broader community.
