Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I have lived in Portland for 37 years. SE Portland and recently NE Portland. I have loved the city. I am moving to Vancouver, WA now because I can't stand what the leadership of the city has allowed. The leadership of this City is DESTROYING it. The always increasing taxes that are misused and do NOT reflect the needs of its citizens. The homeless population has increased at an unsustainable level. In SE Portland on Powell blvd., it looks like a slum in Mumbai. Where are these people coming from? A better question is why? Obviously the policies and misuse of tax dollars are drawing them here. I am so angry at our elected officials who have mislead, lied to, and abused their constituents. I pray you all are voted out of office the next election cycle. The citizens deserve better.
