Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Please do not allow this in our city parks!! The city is “trashy” enough; don’t allow people to ruin the parks too! Seriously, where are families suppose to go to play and feel safe? I’m not against the homeless but they come with a lot of trash and drugs. You really want children exposed to that?! Come on portland, find a better solution.
