Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Let Title 15 housing emergency to expire. NO RANDOM CAMPING IN PORTLAND. No permanent code changes! An enforcement plan must be delineated and be expressly coupled to this action so that as new managed shelters are established, random camps are shut down, removed, cleaned up and then monitored so they can not reestablish. A detailed description of what the management plan is for each site and who ,specifically, is responsible for it's implementation and results needs to be published before any vote is taken.
