Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I oppose the plan to allow tents/ shelters in the parks. If this is allowed the parks will no longer be for all citizens. I live near the park blocks and work with Friends of South Park Blocks to clean the park every Tuesday. Even now I feel safe only at select times of the day. This plan would increase the problems associated with camping in the city. If this plan is approved, I give up on Portland, a city I love but one that always does the least possible to confront a problem.
