Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Please stop the camping in parks. We need to clean up our city. I was born and raised in Portland and we have always been a city that prides itself on being clean and safe, but we have completely lost that pride. Garbage is everywhere. Tents are everywhere. We need to provide camping spots in discrete locations that are policed and cleaned, away from our downtown. Our city and particularly our parks are not campgrounds! Please help us clean up our city and keep our parks safe and free of campers. Thank you David Davies
