Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I am not against shelters, but I am against them not being fairly spread out across the City. I am a 50 year resident of East Portland, and it's time we were heard. Continue the Emergency order until there is an equitable plan. Need clarity. Need wrap around services. Need more amendments. Code change will only exacerbate the problem. The final decision is one we, East Portlanders will have to live with for 30 years, not you folks!!!
