Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I live in East County and am horrified at the conditions in our neighborhood. There is garbage, rats, vehicles burnt out or not running. I used to think Portland was a great city and now it is a cesspool. No tourists will not come, and my neighbors are selling their houses to get out of this county. Most of the homeless are on drugs or alcohol so do not want to go to shelters, but don't mind leaving all their garbage and needles on the sidewalks and any vacant land.
