Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I live in Goosehollow, pay an enormous amount of real estate taxes, and live amongst trash everywhere caused by the homeless. There is a pocket park across the street from and I fear it will be turned into a homeless shelter if this passes. If you do, I will do everything possible to file a class action lawsuit against each council person and the City of Portland. You are single-handedly destroying properties values in this City, and I've had it.
