Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I recommend the removal of Open Space Zones from consideration for either temporary or permanent houseless shelters EXCEPT for a declaration of emergency by the City Council due to a catastrophic natural disaster. Our parks are not for camping in any form, but for the enjoyments of the beauty of nature by all citizens. How can you take a look at what camping has done to destroy the downtown area, and even consider camping in our beautiful parks! Greata Beatty
