Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Pease vote in opposition of the Shelter to Housing Continuum (S2HC) proposed zone code changes that would allow for public parks and golf courses to be used as places for homeless encampments. Surely, as a member of the City Council of Portland, OR, you cannot be proud of the City that has descended into a pit of trash, homeless, rampant violence and endless unrest. What shocks me most is the language within this proposal that seeks to change city code due to "continuous emergency" shelter shortages. By the very nature of this proposal, we are calling for defeat and we are willing to give up. Please vote no
