Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I testify against this plan 100%. I testify NO to this ridiculous plan. Law and order is the solution. Brookside wetlands have been destroyed and taken over by the homeless villages there now. Pallets are getting dropped off and there are nightly gun shots and campfires in the park. This is supposed to be protected natural floodplain area. Prostitution is now on my street. I testify no to this plan.
