

# Frank Blackston

**#278097 | March 16, 2021**

Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

and in regards to including public parks in this proposal to house shelters, I wanted to agree with a previous comment that this should have been "widely communicated to the public in clear language and should not be considered without significant public discussion and input."

Testimony is presented without formatting.
