Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Please, please, please no camping in our city parks. Not for 180 days, not for one day. We just can't have it. We don't have a yard, my kids need Lair Hill Park to play in and they can't use it if there are homeless people camping there. I won't allow it, and even if I did my wife would overrule me. All other options for housing I'm in favor of, and I'm willing to pay
