Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Dear City Council, I am writing to express my deep support for the Shelter to Housing Continuum Project. Having people live in tents on the street/sidewalk is unsafe for those who are houseless as well as those who live and work near them. Ensuring people have sanitation services and supportive services--including access to mental health care--onsite will be essential to success of this initiative. Thank you for your leadership in identifying solutions to this crisis. Chris
