Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I am opposed to the passing of the Shelter to Housing Continuum Project allowing city parks to be used for public camping. The residents of Portland need safe and clean parks now more than ever due to the pandemic. This idea is is not a solution to the growing problem we have in Portland. After the 180 days, what will be accomplished? I fear it will just become another expensive mess to clean up. Please reconsider and look at permanent plans to help resolve this very sad condition in our city. Thank you so much. Constance Dalla Gasperina
