Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

NO TO THIS PROPOSAL! I CARE ABOUT PEOPLE WITHOUT HOMES AND WISH OUR GOVERNEMENT WOULD BRING OUTSIDE EXPERTS TO SOLVE THIS PROBLEM. HOWEVER, I AM OPPOSED TO ANY TEMPORARY OR PERMANENT SITING OF SHELTERS IN OUR PARKS AND OPEN SPACES. My family is moving to another state because the homeless situation here among other issues. This should not happen. THE INCREASINGLY LARGE HOMELESS POPULATION PRESENTS SERIOUS PUBLIC HEALTH AND SAFETY ISSUES. In addition the proposed project will diminish our property values.
