

Shelter to Housing Continuum testimony
Submitted by Jill Spencer, community member in
support of the Shelter to Housing Continuum and Right 2
Dream Too

I am a community member, living in the Sullivan's Gulch Neighborhood. I have been an active supporter of Right 2 Dream Too with many others from Holladay Park Plaza. I have been a participant in monthly Friends of R2DToo meetings for over 3 years, and am aware of the Shelter to Housing Continuum issues affecting the future of R2DToo.

I strongly urge City Council to include the adjustments recommended by Right 2 Dream Too for their continued success in serving the homeless community in Portland. They have demonstrated that they have the knowledge and wherewithal to provide a rest-stop that serves a large number of homeless people contributing to their ability to stay healthy with safe and restful sleep.
