Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I'm a Portland homeowner living in the Eastmoreland area. I strongly object to allowing homeless camps in our city parks and golf courses. This proposal will not solve the homeless problem and is only a band-aid solution. It will make our parks unsafe for children and their families. It will create a public health hazard with garbage strewn all over the parks, and become a nuisance to neighbors. I encourage the City Council to find a permanent solution to the homeless crisis in Portland. Diane Lund
