Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

As a Portland homeowner and taxpayer since 1971, I feel Portland needs to stop homeless from camping on our sidewalks,,and,in our parks. Portland has become a huge eyesore and homeless filth and trash needs to be cleaned up as it is a public health issue due to poor sanitation. I feel I live in a 3rd world country. Perhaps having the homeless paid for cleaning up in way of food vouchers is a idea. I am against this current initiative.
