Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Please tell me this isn't true: • The proposal would, however, allow the temporary siting of shelters in parks and open space for no more than 180 day. The city is turning into a cess pool and it looks like we will now allow tent cities of garbage in our parks? Please tell me this isn't true! There will be no end if you let this happen. Please don't! thank you, Heather Wagner
