Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I DO NOT WANT homeless shelters in my parks. This is an INSANE IDEA. Homeless would take over the parks, create garbage, spend their time shooting up. No one else would be able to use the park. I have seen this happen in SE Portland when Hales said homeless could camp anywhere. Crime has already increased in my area due to influx of homeless during pandemic. STUPID IDEA!!!
