Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Dear Mayor Wheeler and Commissioners, Please do not allow sheltering in parks. Please work with Transition Projects to find and establish shelters that are indoors, with some, if not all necessary facilities (toilets, showers, laundry, kitchens). I live in the King Neighborhood and the shelter at MLK Jr. Blvd & Killingsworth has been very successful. Everyone is allowed to feel safe in a dry, warm, environment and parks are not that. Sincerely, Jennifer Jardee-Borquist
