

# John Rendón

**#278682 | March 21, 2021**

Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I am strongly opposed to this amendment. The parks should be reserved for their intended purposes. They are not intended for homeless shelters or services, but instead to provide a safe and clean environment for our children and families to enjoy. Portland needs to deal with the homeless problem, but changing the environment of our parks is not the answer. Respectfully, John Rendón
