Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

PLEASE do not vote to allow homeless use of our public spaces ! I do not know the 'solution' to this problem, but it does NOT seem to work for Portland to continue to provide services that then encourage further problems !! Please do NOT force the rest of housed Portland residents to give up these precious public spaces !!! thank you, Stephanie Crowell 15639 NE Tillamook St, Portland, OR 97230
