Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

We are not reassured by your oft-repeated promise that you would never approve the use of park grounds or sensitive natural areas for siting mass shelters. Intent does not make law. If this is truly your intent, we need to see proposed changes to the code language that will ensure your intent is actually what happens. Your decisions will be in place long after you are gone. Our formal testimony is attached.
