Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I oppose the Shelter to Housing Continuum which would result in zone changes that the City Council is proposing. I am a disabled senior citizen who uses Gabriel Park for daily exercise. When there are groups, like camps, or campers, as being suggested, they spill over onto the paths and make it impossible for me to walk there with trekking poles. I depend on open paths for exercise. Please don't make them unusable.
