Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

What in gods name are you thinking? How is bringing garbage to our beautiful neighborhood a good idea? I'm disappointed in anyone leadership of thinking destroying Portland is a good idea and so are the suburbs where are children live and play. Please do not allow this destruction of our beautiful neighborhood with this proposal it's a horrible idea - there have to be better ways to acknowledge this problem then moving the problem from down town to our park. Do a better job of leading and leadership and do not allow this!
