Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

I cannot support this ridiculous proposal. I do not want homeless in our parks, golf courses, streets, the city. They have broken into my house and my car numerous times, I want the city to lol out for me, not draw druggies, criminals, thieves, etc. In fact, the city does nothing to move this city forward, look at it, it's a slum because of the mayor and city council.
