Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Hello City Council members, My name is Kristen and I live in North Portland. I am writing today to express my strong support for the Shelter to Housing Continuum Project. It is absolutely necessary to vote YES on the Shelter to Housing Continuum. As you know, we are in an unprecedented housing crisis that seems to only be growing. Expanded shelter & housing options are the only way to get our neighbors off the street. We absolutely must not adopt any amendments that would reduce or limit the ability of the city or providers to site shelters across the city. We need these shelters now, more than ever. Please adopt the Portland: Neighbors Welcome and Social Justice Coalition amendments to ensure maximum flexibility for shelter and housing. Thank you for your time and service, Kristen Sartor
