Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Dear City Council: 1) I adamantly oppose the use of public open space, including ROW, for the use of any individual, housed or not, to take up residency, temporarily or permanently. 2) I am discussed by the abuse of our parks, trail and open space by individuals that take zero responsibility for their actions. 3) Public open space should be left to those who pay taxes. Taxes that the city manages to take care of these spaces.
