Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Mayor and Commissioners, I strongly encourage you to please vote YES on the Shelter to Housing Continuum, with all the Portland: Neighbors Welcome amendments. Please do NOT adopt any amendments that would limit our ability to site shelters in the city. I have a special interest in seeing more flexibility for the safe and sanitary siting of RVs and tiny houses, but without requiring a full sewer hookup. Thank you.
