Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Information for the record 2018 gentrification and displacement neighborhood typology assessment. October 2018 Key findings and methodology: EQUITY GUIDING PRINCIPLE Promote equity and environmental justice by reducing disparities, minimizing burdens, extending community benefits, increasing the amount of affordable housing, affirmatively furthering fair housing, proactively fighting displacement, and improving socio-economic opportunities for under-served and under-represented populations. Intentionally engage under-served and under-represented populations in decisions that affect them. Specifically recognize, address and prevent repetition of the injustices suffered by communities of color throughout Portland's history. Policy 5.12 Policy 5.12: Impact analysis Evaluate plans and investments to identify potential disparate impacts on housing choice, access, and affordability for protected classes and low-income households. Identify and implement strategies to mitigate the anticipated impacts. See figure 1 - Gentrification and displacement typology Assessment map 2010-2016
