Testimony to **Portland City Council** on the **Shelter to Housing Continuum Project, Recommended Draft**

Dear City Council Officials, I am convinced that you're institutionally incompetent, or extremely corrupt. Either scenario is diabolical. You have no strategy for the homeless, decriminalize drug use, condone violence, destruction and utter disregard for the health and safety of our beloved City of Roses, which is now City of Rats. Under The Equal Protection Rights clause, you have grossly marginalized the citizens of Portland in support of homeless rights. "Compassion" is a scapegoat for incompetence. The criminal element of homelessness has been grossly overlooked while PDX citizens suffer the consequences of your inaction and defunding of law enforcement. Save PDX/
FUND POLICE/STEP DOWN HARDESTY & SCHMIDT. NOW. WHEELER, WAKE UP.

Testimony is presented without formatting.
